DATE: Wednesday, October 24, 2018

TIME: 8:30 a.m. to 3:30 p.m. (lunch on your own)

COST: \$50 client/member districts, \$60 non-client districts

LOCATION: Mid-Ohio Conference Center, 890 West Fourth Street, Mansfield, OH 44906

This one-day professional development opportunity targets the related services community (IS/OT/PT/SLP) and will introduce participants to the Ohio Department of Education Comprehensive Monitoring Process and emphasizes the critical role of the Evaluation Team Report in ensuring compliant practices to promote “significant progress” for students, in an educational program that is “appropriately ambitious in light of (his/her) circumstances” (*Andrew F. v. Douglas County School District*).

Participants may come as individuals or in teams to become familiar with Ohio Department of Education processes for compliant ETRs, and to apply Office of Exceptional Children tools and reference resources through exercises with actual student data to improve their ETR practices.

This one-day training provides targeted information critical to related services providers.

Participants should bring a laptop or tablet, a completed ETR that has personally identifiable data redacted, and raw data related to an evaluation in progress.
