

The Richland School of Academic Arts

Where Academics & Arts Come *Alive*

OPEN POSITIONS AT RSAA

The Richland School of Academic Arts is a public community school within Mansfield, Ohio. RSAA serves 350 students from nine different districts in the Ashland, Richland and Crawford County areas. The school is ranked in the top 5% of K-8 community schools in the state and has done very well academically comparatively to surrounding school districts. The Richland School of Academic Arts believes in hands-on, mastery based learning applications and the integration of the arts (music, dance, visual art, culinary) into the curriculum and after school programming. Students are educated in a safe environment and resources and support for educators in the building is paramount to our learning community. We want to offer our students dynamic, energetic and passionate educators to lead them in their K-8 journey at RSAA.
